Parade Unit Letter and Form

Farmersburg Old Settlers is August 6-8, 2009. Farmersburg is 15 miles south of Terre Haute on US 41 at the stop light. Our parade is Sat. Aug. 8 at 10:30 am. We would appreciate any participation you could offer. Please contact us at the phone numbers above or e-mail, if there are any questions or problems.

If the registration is received by July 18, 2009, your unit will receive a certificate and a plaque. Your name will also be announced at the reviewing stand. After this date you will only receive a certificate and be announced at the reviewing stand. After July 31 you will only be announced at the reviewing stand. We will return a confirmation letter by P. O. or e-mail(if available) and parade route map (if requested) upon receipt of this form. You may access the forms and parade map on our website: www.farmersburgfestival.org.

The "Parade Check-in Form" must be returned on or before the day of the parade. Please have all names of participants in your unit listed on the form or on an attached paper. Please add a little history of your business/organization/unit to be announced as you pass the reviewing stand. This may be on the back of the "Check-in form" or a separate sheet. This is our **only** way of keeping the parade organized and announced correctly. Check-in time and place will be in the confirmation letter.

(Please cut on the line below and return)
